FACT

Genuine Renault Trucks engine overhaul kits contain everything required for a basic engine overhaul. The contents of the kits have been designed to facilitate the ordering of parts and the actual overhaul work.

The composition of the kits is based on Renault Trucks' experience of the parts that should be replaced during a basic engine overhaul.

Of course the kits include only Genuine Renault Trucks parts; your guarantee for high quality, functionality, and good fit.

All parts included in the kit

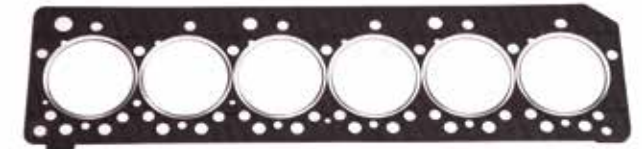

PRICE OF THE KIT LOWER THAN THE TOTAL AMOUNT OF ALL INDIVIDUAL PART

FUNCTIONAL PACKAGING

Engine overhaul kits are sold in a dedicated packaging. The parts inside the kits are well protected against potential damages linked to transport.

- Cylinder liners of special cast iron with well-suited hardness.
- Sealing rings for the liners.
- Pistons and piston rings with high thermal conductivity.
- Gudgeon pins with extremely high dimensional accuracy.
- Thrust washer sets, special washers that can endure high forces.
- Set of main bearings and connecting rod bearings, bearing shells that embed any dirt and particles.
- Shims, various sizes.
- Cylinder head gaskets of robust and rust-inhibited sheet steel.
- All gaskets and seals included. Ensures a sealed engine for a long time after assembly.

EASIER AND FASTER TO ORDER

THE PROMISE OF A GENUINE RENAULT TRUCKS PART

GENUINE RENAULT TRUCKS PARTS

Of course the engine overhaul kit contains only Genuine Renault Trucks Parts, which gives you the best advantages: high quality and functionality, perfect fit that simplifies assembly, excellent protective packaging.

ALL PARTS IN ONE KIT

It can be quite complicated and time-consuming to find all the parts required for a truck engine overhaul.

However, this is a simple matter with the engine overhaul kit. Just one part number gets you all the parts you need, so that ordering is easier and faster.

LOWER PRICE

Another advantage is the lower price of the overhaul kit compared to the total price of the constituent parts.

KITS READY PACKED

Complete basic engine overhaul kits are kept in stock by Renault Trucks and delivery times to you are therefore shorter.

The range of kits is extensive. Engine overhaul kits are available for most types of Renault Trucks bus and truck engines.

PRACTICAL ADVICE

- Check which maintenance operations are planned in the coming months and anticipate them to avoid further truck stop (oil drain, filters, belt tensioners...).
- Check the health of other sensitive components (water pump, oil pump,...).

RENAULT FITTED-PART

- One year warranty.
- Fitted by Renault Trucks trained technicians.

RENAULT TRUCKS 24/7

- Professional roadside assistance 24 hrs a day, 7 days a week, 365 days a year.
- Dedicated to getting customers' trucks back on the road with minimum delay.
